RE: Amendment 14 to Metropolitan
Transportation Commission
(MTC) 2018/19-2021/22 Federal
Statewide Transportation
Improvement Program (FSTIP)

Dear Mr. De Terra:

The Federal Transit Administration (FTA) has reviewed your correspondence dated June 12, 2019 and supporting information regarding amendment 14 to the MTC portion of the 2018/19–2021/22 FSTIP. The amendment revises 25 transit projects with a net increase of funding of approximately \$802 million. FTA approves this amendment for inclusion into the MTC 2018/19–2021/22 FSTIP.

We find this amendment in accordance with 23 CFR 450 and to be based on a continuing, comprehensive, and coordinated transportation planning process in accordance with the provisions of 23 USC 134 and 49 USC 5303. In addition, the funds programmed are consistent with anticipated revenues and the amendment does not conflict with current financial planning expectations.

This finding has been coordinated with the California Division of the Federal Highway Administration (FHWA) in accordance with the procedures outlined in the Memorandum of Understanding on single mode TIP Amendments.

This letter also constitutes approval of the amendment with the understanding that FTA funding approval on individual projects is subject to the grantees meeting the necessary administrative requirements.

Should you have any questions, please contact Ms. Dominique Kraft at (415) 734-9469.

Sincerely,
