Agenda Item 2e

MTC Resolution No. 1198, Revised – Revisions to MTC’s Conflict of Interest Code to Update List of Designated Positions – Release for Public Comment

Subject: MTC Resolution No. 1198, Revised – Revisions to MTC’s Conflict of Interest Code to Update List of Designated Positions – Release for Public Comment

Background: The Metropolitan Transportation Commission (MTC) Conflict of Interest Code (COIC) serves as the COIC for the Bay Area Toll Authority, the MTC Service Authority for Freeways and Expressways, the Bay Area Headquarters Authority, the Bay Area Infrastructure Financing Authority, and the Advancing California Financing Authority. The MTC COIC is being updated in order to update the designated positions to reflect MTC’s affiliation with the Bay Area Regional Collaborative (BARC), the creation of two new positions, and MTC’s current organizational structure.

Incumbents of positions designated in the Appendix to MTC’s proposed COIC must file an annual Statement of Economic Interests (FPPC Form 700) with the agency. The attached draft COIC is amended consistent with FPPC Regulation 18734, which requires individuals serving in newly created positions to file Form 700, the Statement of Economic Interests. The attached “track changes” version (*additions in italics and underlined, deletions in strikethrough*) reflects the most recent changes from the version of the COIC attached to MTC Resolution No. 1198, last approved by the FPPC on March 29, 2018. The changes reflect the addition of a designated position resulting from MTC’s affiliation with BARC, the addition of two new positions created during the past fiscal year, and changes in MTC’s organizational structure and nomenclature.

BARC, also known as the Joint Policy Committee, is a consortium of member agencies, the authorizing legislation for which is included in MTC’s authorizing legislation (Government Code Sections 66500-66537). BARC’s board members all file statements of economic interests either under their appointing agency’s COIC or as Government Code Section 87200 filers. BARC’s programs are implemented via contracts procured by MTC. MTC has determined that the BARC Director makes or participates in the making of decisions that may foreseeably have a material financial effect on an economic interest. This position has been added to Appendix A of MTC’s COIC.

The following new positions have been determined to make or participate in the making of decisions that may foreseeably have a material financial effect on an economic interest: Administrative Director, Office of the Executive Director; and Deputy Director, Integrated Planning Department. These positions have been added to Appendix A of MTC’s COIC. The disclosure categories are tailored to the responsibilities of each role. Other revisions have been made to reflect

changes in MTC's organizational structure and position nomenclature. All of the proposed changes have been reviewed and given initial approval by the FPPC.

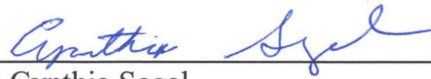

FPPC amendment procedures require that a written notice of intent to amend the COIC must be given 45 days prior to the time MTC takes formal action. A copy of that written notice is attached to this Summary Sheet. The comment period will run from Wednesday, November 13, 2019 through Monday, December 30, 2019. The notice will be posted on MTC's website, and copies of the proposed revised COIC will be made available to any interested person who calls Rosy Leyva, Secretary to the Commission, during business hours at (415)778-6700. Written requests for copies of the amendment and written comments on the amendment may be sent to Ms. Leyva at MTC's offices, 375 Beale Street, Suite 800, San Francisco CA 94105.

Any interested person may request a public hearing to comment on the proposed COIC amendment, if any such request is made no later than 15 days prior to the close of the comment period, or by Friday, December 13, 2019. If no request for a hearing is received, staff will return on January 8, 2020 to seek Committee authorization to submit the proposed COIC to the FPPC for approval, and to refer the approved COIC to the Commission for adoption at a date to be determined.

Issues: None

Recommendation: Staff recommends that the Committee authorize staff to circulate the proposed changes for public comment, and to schedule a public hearing if there is a request from the public to do so.

NOTICE OF INTENTION TO AMEND THE CONFLICT OF INTEREST CODE
OF THE METROPOLITAN TRANSPORTATION COMMISSION

NOTICE IS HEREBY GIVEN that the Metropolitan Transportation Commission (MTC), pursuant to the authority vested in it by section 87306 of the Government Code, proposes amendment to its conflict of interest code. A comment period has been established commencing on November 13, 2019 and closing on December 30, 2019. All inquiries should be directed to the contact listed below.

MTC proposes to amend its conflict of interest code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code. The amendment carries out the purposes of the law and no other alternative would do so and be less burdensome to affected persons.

Changes to the conflict of interest code include: changes reflecting the addition of a designated position resulting from MTC's affiliation with BARC; the addition of two new positions created during the past fiscal year as designated positions; and other technical changes.

The proposed amendment and explanation of the reasons for the changes can be obtained from the agency's contact.

Any interested person may submit written comments relating to the proposed amendment by submitting them no later than December 30, 2019, or at the conclusion of the public hearing, if requested, whichever comes later. At this time, no public hearing is scheduled. A person may request a hearing no later than December 13, 2019.

MTC has determined that the proposed amendments:

1. Impose no mandate on local agencies or school districts.
2. Impose no costs or savings on any state agency.
3. Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
4. Will not result in any nondiscretionary costs or savings to local agencies.
5. Will not result in any costs or savings in federal funding to the state.
6. Will not have any potential cost impact on private persons, businesses or small businesses.

Copies of the proposed amendment and explanation of the reasons for it will be made available to any interested person who calls Rosy Leyva, Secretary to the Commission, during business hours at (415) 778-6700. Written requests for copies of

the proposed amendment and explanation of the reasons for it, and written comments on the amendment, may be sent to Ms. Leyva at MTC's offices, 375 Beale Street, Suite 800, San Francisco, CA 94105. Any inquiries concerning the proposed amendment should be directed to Cynthia Segal, Deputy General Counsel, at (415) 778-6713, or csegal@bayareametro.gov.
