

# BAY AREA EXPRESS LANES

## Construction Notice: I-680 Walnut Creek to San Ramon Express Lanes & Express Lanes Communications Network August 1, 2016

### Summary

The Express Lanes construction activities have reached a significant milestone – the majority of the civil construction is complete. The civil construction included the installation of overhead sign structures, construction of enforcement areas and maintenance vehicle pull-outs, and laying conduit for our toll system and communications network.

Due to the reduction in civil construction activity, a large portion of the orange plastic fencing and k-rail will be removed in August. It is required that a small portion of the fencing remains until the Express Lanes open, scheduled for Spring 2017.

Construction activities for the toll system integration will continue on the highway and on a few city streets. Crews will install toll readers, enforcement cameras, and antennas, and work on the fiber optic communications network continues on I-680 from Martinez to Dublin.

*Crews paving a new maintenance vehicle pull-out.*

### What to Expect

- Intermittent and alternating nightly closures will occur in the northbound and southbound directions on I-680 from Martinez to Dublin in the lanes closest to the median and in the lane closest to the shoulder. Approved construction work hours are: Monday through Thursday from 8 p.m. – 5 a.m., Friday from 8 p.m. – 7 a.m., Saturday from 7 p.m. to 10 a.m.
- Construction crews will be present on some city streets during the day near I-680 from Martinez to Dublin with temporary and minor pedestrian detours to maintain public safety.
- Temporary k-rail, construction signage and orange plastic fencing will be present from Martinez to Dublin to maintain a safe work zone.
- Construction lighting will be present and directed away from residential areas.
