

Construction Notice: I-680 Walnut Creek to San Ramon Express Lanes & Express Lanes Communications Network April 15, 2016

Summary

Construction crews will continue installing the large overhead signs already visible throughout the corridor. Also, electrical work for the communications network will continue on the freeway and on some city streets.

Purpose

The overhead sign frames will support the future travel and toll information signs and the communications network will facilitate the transmission of data for the express lanes.

Construction crews pour a concrete median barrier.

What to Expect

- Intermittent and alternating nightly closures will occur in the northbound and southbound directions on I-680 from Martinez to Dublin in the lanes closest to the median and in the lane closest to the shoulder. Approved construction work hours are: Monday through Thursday from 8 p.m. – 5 a.m., Friday from 8 p.m. – 7 a.m., Saturday from 7 p.m. to 10 a.m.
- To support directional boring and the installation of conduit, the following ramp closure is scheduled for:
 - I-680 Northbound Stone Valley Rd. on-ramp is scheduled to be closed from 9 p.m. until 5 a.m. each night, from Thursday, April 14 through Saturday, April 16. (See detour map on page 2.)
- To maintain a safe work zone, construction activity on San Ramon Valley Boulevard and Crow Canyon Road will require lane reductions and reduced speed limits, weekdays from April 4 through June 30, between the hours of 9:30 a.m. and 3:00 p.m.
- Construction crews will be present on some city streets during the day near I-680 from Martinez to Dublin with temporary and minor pedestrian detours to maintain public safety.
- Temporary k-rail, construction signage and orange plastic fencing will be present from Martinez to Dublin to maintain a safe work zone.
- Construction lighting will be present and directed away from residential areas.
