

Construction Notice: I-680 Express Lanes Communications Network Ygnacio Valley Rd & Oakland Blvd., Walnut Creek April 15, 2016

Summary

Upcoming construction activity for the Express Lanes on I-680 between Walnut Creek and San Ramon and the Express Lanes Communications Network will occur in Walnut Creek. The construction activity will include drilling and the installation of conduit on Ygnacio Valley Rd and Oakland Blvd in Walnut Creek.

To maintain a safe work zone, the following lane reductions are scheduled to occur Monday, April 18 through Friday, April 22 from 9 a.m. to 3 p.m. on:

- Ygnacio Valley Road at the I-680 Ygnacio Valley Rd off-ramp intersection
- Oakland Boulevard from Trinity Ave to Ygnacio Valley Road

Purpose

The fiber-optic communications network will facilitate the transmission of travel and tolling data for the I-680 Express Lanes.

What to Expect

- Emergency access will be maintained at all times.
- When traveling near the construction site:
 - *Always* use caution
 - Be alert for on-site personnel
 - Be prepared to reduce speeds
 - Follow posted signs
 - **Share the road with bicyclists**
- The bike path along Oakland Blvd from Trinity Ave to Ygnacio Valley Road will be reduced to one lane. Flagger personnel will be present to escort pedestrians and bicyclists around the work area.
