Conflict of Interest

In order to avoid potential conflict of interest, no person shall sit on the Policy Advisory Council and concurrently be in a business relationship with MTC/BATA. A member is considered to have a business relationship with MTC/BATA when that member is employed by or serves on the Board of Directors of an organization that has received a grant or contract award from MTC — where MTC staff alone reviews proposals and recommends an organization or organizations for award of that grant or contract. In such cases, the member shall resign from the Council for the duration of the contract or grant, but may reapply for any vacancies upon completion of the contract or grant.

Please state below whether you currently have any business relationship, as defined above, with MTC/BATA.
