

# BAY AREA EXPRESS LANES

## Construction Notice

April 1, 2016

### Summary

In April, construction crews will continue installing the large overhead signs already visible throughout the corridor. Also, electrical work for the communications network will continue on some city streets.

### Purpose

The overhead sign frames will support the future travel and toll information signs and the communications network will facilitate the transmission of data for the express lanes.

*Crews install conduit for the future toll systems and signage.*

### What to Expect

- Intermittent and alternating nightly closures will occur in the northbound and southbound directions on I-680 from Walnut Creek to San Ramon in the lanes closest to the median and in the lane closest to the shoulder. Approved construction work hours are: Monday through Thursday from 8 p.m. – 5 a.m., Friday from 8 p.m. – 7 a.m., Saturday from 7 p.m. to 10 a.m.
- To support directional boring and the installation of conduit, the following ramp closures are scheduled for:
  - Southbound Alcosta Blvd. off-ramp is scheduled to be closed from 8 p.m. until 5 a.m. each night, Monday, April 11 through Friday, April 15. (See detour maps on page 2)
  - Northbound Stone Valley Rd. on-ramp is scheduled to be closed from 9 p.m. until 5 a.m. each night, from Monday, April 11 through Friday, April 15. (See detour maps on page 2)
- To maintain a safe work zone, construction activity on San Ramon Valley Boulevard and Crow Canyon Road will require lane reductions and reduced speed limits, weekdays from April 4 through June 30, between the hours of 9:30 a.m. and 3:00 p.m.
- Construction crews will be present on some city streets during the day near I-680 from Martinez to Dublin with temporary and minor pedestrian detours to maintain public safety.
- Temporary k-rail, construction signage and orange plastic fencing will be present from Martinez to Dublin to maintain a safe work zone.
- Construction lighting will be present and directed away from residential areas.
