NOTICE OF INTENTION TO AMEND THE CONFLICT OF INTEREST CODE OF THE METROPOLITAN TRANSPORTATION COMMISSION

NOTICE IS HEREBY GIVEN that the Metropolitan Transportation Commission (MTC), pursuant to the authority vested in it by section 87306 of the Government Code, proposes amendment to its conflict of interest code. A comment period has been established commencing on May 11, 2016 and closing on June 27, 2016. All inquiries should be directed to the contact listed below.

MTC proposes to amend its conflict of interest code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code. The amendment carries out the purposes of the law and no other alternative would do so and be less burdensome to affected persons.

Changes to the conflict of interest code include: changes reflecting the split of MTC's Administrative and Technology Section into two new sections (the Administrative Services Section and the Technology Services Section), the addition of Clipper® Executive Board member as a designated position, and other technical changes.

The proposed amendment and explanation of the reasons can be obtained from the agency's contact.

Any interested person may submit written comments relating to the proposed amendment by submitting them no later than June 27, 2016, or at the conclusion of the public hearing, if requested, whichever comes later. At this time, no public hearing is scheduled. A person may request a hearing no later than June 10, 2016.

MTC has determined that the proposed amendments:

- 1. Impose no mandate on local agencies or school districts.
- 2. Impose no costs or savings on any state agency.
- 3. Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
- 4. Will not result in any nondiscretionary costs or savings to local agencies.
- 5. Will not result in any costs or savings in federal funding to the state.
- 6. Will not have any potential cost impact on private persons, businesses or small businesses.

Copies of the proposed amendment and explanation of the reasons for it will be made available to any interested person who calls Rosy Levya, Secretary to the Commission, during business hours at (510) 817-5700 (until May 20, 2016) or at (415) 778-6700 (starting May 23, 2016).
