

Construction Notice: March 31, 2016 San Ramon Valley Boulevard & Crow Canyon Road

Summary

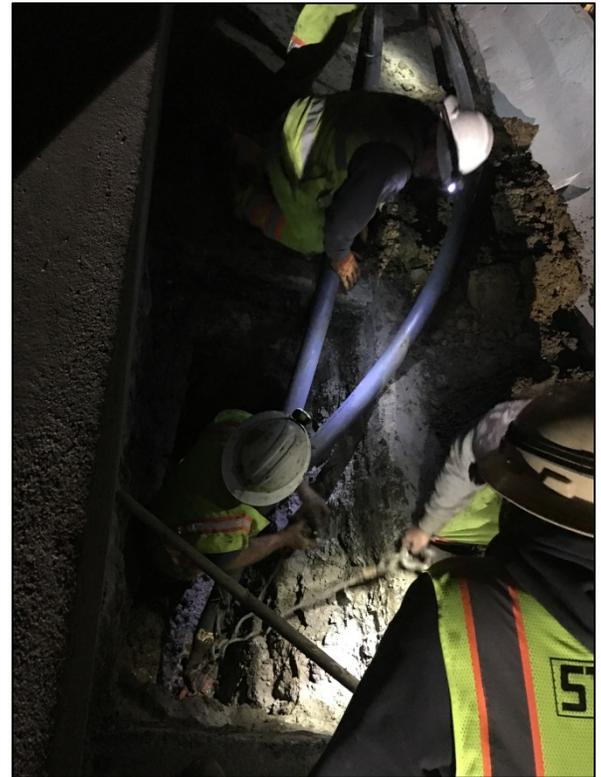

Construction activity for the I-680 Express Lanes between Walnut Creek and San Ramon is scheduled to occur on San Ramon Valley Boulevard and Crow Canyon Road weekdays from April 4 through June 30, between the hours of 9:30 a.m. and 3:00 p.m. To maintain a safe work zone, the construction activity will require lane reductions and reduced speed limits.

Purpose

Construction activity includes the installation of conduit and electrical boxes beneath the roadways for the Express Lanes toll and lighting systems.

What to Expect

- The right hand turning lane and the adjacent through lane will be closed intermittently on westbound Crow Canyon Road at the intersection of San Ramon Valley Blvd. One through lane on Crow Canyon Road will remain open.
- One through lane on northbound San Ramon Valley Blvd will be closed intermittently between Alcosta Blvd. and Crow Canyon Rd.
- Flagger personnel will be present to escort pedestrians and bicyclists through or around the work area. One sidewalk will be available at all times.
- Emergency access will be maintained at all times.
- When traveling near the construction site:
 - Always use caution
 - Be alert for on-site personnel
 - Be prepared to reduce speeds
 - Follow posted signs
 - **Share the road with bicyclists**

Crews install conduit for the future toll systems and signage.
