RE: MTC TIP Revision No. 2017-35 – Administrative Modification

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2017 Federal Transportation Improvement Program (TIP). TIP Revision No. 2017-35 revises eight projects with a net increase in funding of $11 million. Among other changes, this revision:

- Updates the funding plans and back-up listings of three Caltrans managed grouped listings to reflect the latest programming decisions, including the addition of $9.4 million in State Highway Operations and Protection Program (SHOPP) funds; and
- Updates the funding plans of five Surface Transportation Block Grant Program/Congestion Mitigation and Air Quality Improvement Program (STP/CMAQ) funded projects to reflect planned obligations.

The administrative modification is financially constrained by year and MTC relies on the State’s programming capacity in the amount of $9.4 million in SHOPP funds to reflect the net change in funding over the four years of the TIP.

The TIP revision entries have been emailed to your staff. MTC’s 2017 TIP, as revised with Revision No. 2017-35, remains in conformity with the applicable State Implementation Plan (SIP) for air quality and the revision does not interfere with the timely implementation of the Transportation Control Measures contained in the SIP.

The investments described in MTC’s 2017 TIP, as revised with TIP Revision No. 2017-35, make progress toward achieving the performance targets set by the region in accordance with the applicable provisions and requirements of 23 CFR Part 450.

The projects that are included in this administrative modification are not included in any other amendment that is open for public review. MTC’s 2017 TIP, including Revision No. 2017-35, is consistent with metropolitan transportation planning regulations per 23 Code of Federal Regulations Part 450 and conforms to MTC’s Regional Transportation Plan.
Under the delegated authority received from Caltrans, I approve this administrative modification to the Federal Statewide Transportation Program (FSTIP). This revision is consistent with the approved Administrative Modifications/Amendments Guidelines and Procedures.

If you have any questions regarding this revision, please contact Adam Crenshaw of my staff at (415) 778-6794; or Karl Anderson at (415) 778-6645.

Sincerely,

Alix Bockelman
Deputy Executive Director, Policy
