RE: MTC TIP Revision No. 2019-13 – Administrative Modification

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2019 Federal Transportation Improvement Program (TIP). TIP Revision No. 2019-13 revises 22 projects with a net increase in funding of \$15.4 million. Among other changes, this revision:

- Updates the funding plans of 13 projects to reflect programming changes in the Active Transportation Program (ATP);
- Updates the funding plans of four Surface Transportation Block Grant Program/Congestion Mitigation and Air Quality Improvement Program (STP/CMAQ) funded projects to reflect the latest programming decisions;
- Updates the funding plan and back-up listing of the Caltrans-managed Pavement Resurfacing and Rehabilitation for the State Highway System grouped listing;
- Updates the funding plan of the Sonoma Marin Area Rail Transit corridor project to reflect the award of \$5 million in Federal Railroad Administration (FRA) Positive Train Control (PTC) funds; and
- Updates Bay Area Rapid Transit's Transbay Core Capacity Improvements project to reflect the award of \$300 million in Federal Transit Administration (FTA) Core Capacity grant funds.

The administrative modification is financially constrained by year and MTC relies on the State's programming capacity in the amount of \$300 million in FTA Core Capacity funds, \$3.8 million in ATP funds, \$5 million in FRA PTC funds and \$24,540 in California Natural Resources Agency Urban Greening funds to reflect the net change in funding over the four years of the TIP.

The TIP revision entries have been emailed to your staff. MTC's 2019 TIP, as revised with Revision No. 2019-13, remains in conformity with the applicable State Implementation Plan

(SIP) for air quality and the revision does not interfere with the timely implementation of the Transportation Control Measures contained in the SIP.

The investments described in MTC's 2019 TIP, as revised with TIP Revision No. 2019-13, make progress toward achieving the performance targets set by the region in accordance with the applicable provisions and requirements of 23 CFR Part 450.

The projects that are included in this administrative modification are not included in any other amendment that is open for public review. MTC's 2019 TIP, including the proposed Revision No. 2019-13, is consistent with metropolitan transportation planning regulations per 23 Code of Federal Regulations Part 450 and conforms to MTC's Regional Transportation Plan.

Under the delegated authority received from Caltrans, I approve this administrative modification to the Federal Statewide Transportation Program (FSTIP). This revision is consistent with the approved Administrative Modifications/Amendments Guidelines and Procedures.

If you have any questions regarding this revision, please contact Adam Crenshaw of my staff at (415) 778-6794; or Karl Anderson at (415) 778-6645.

Sincerely,

Alix Bockelman
Deputy Executive Director, Policy
