

BAY AREA EXPRESS LANES

Construction Notice: I-680 Walnut Creek to San Ramon Express Lanes & Express Lanes Communications Network May 1, 2016

Summary

In May, nearly all of the overhead toll sign structures will be placed in the corridor, and reconstruction work will continue on the median barriers. Also, electrical work for the communications network will continue on the freeway and on some city streets. Lane closures will continue at night on I-680 from Martinez to San Ramon.

Purpose

With the overhead sign installation nearly complete, restoration work on the median barriers and surrounding areas will occur. The electrical work for the communications network will provide power to the overhead signs.

A newly installed overhead toll sign.

What to Expect

- Intermittent and alternating nightly closures will occur in the northbound and southbound directions on I-680 from Martinez to Dublin in the lanes closest to the median and in the lane closest to the shoulder. Approved construction work hours are: Monday through Thursday from 8 p.m. – 5 a.m., Friday from 8 p.m. – 7 a.m., Saturday from 7 p.m. to 10 a.m.
- To maintain a safe work zone, construction activity on San Ramon Valley Boulevard and Crow Canyon Road will require lane reductions and reduced speed limits, weekdays from April 4 through June 30, between the hours of 9:30 a.m. and 3:00 p.m.
- Construction crews will be present on some city streets during the day near I-680 from Martinez to Dublin with temporary and minor pedestrian detours to maintain public safety.
- Temporary k-rail, construction signage and orange plastic fencing will be present from Martinez to Dublin to maintain a safe work zone.
- Construction lighting will be present and directed away from residential areas.

Construction is a dynamic process and information is subject to change without notice. Work is subject to weather conditions.
