

Derecka Mehrens, CASA Technical Committee

Executive Director | Working Partnerships USA

Derecka Mehrens, Executive Director at Working Partnerships USA, brings 15 years of community organizing, civic engagement, and public policy experience working in communities of color and with low- and moderate-income families.

Under Ms. Mehrens' leadership, Working Partnerships USA co-founded Silicon Valley Rising, a coordinated regional campaign to inspire a tech-driven economy where all workers, their families, and communities thrive. The unprecedented labor-faith-community alliance is working to build a new economic model that rebuilds the middle class, to raise wages and workplace standards for all workers in this valley, and to address a regional housing crisis that is pushing families and children to live in garages, cars, or near creek beds in order to survive.

Ms. Mehrens graduated from the University of Oregon with a bachelor's degree in Sociology, History, and International Studies.
