

Leslye Corsiglia , CASA Co-Chair

Executive Director | SV@Home

Leslye Corsiglia began her professional career at the California Department of Housing and Community Development, where she held several positions before taking on the challenge of overseeing the day-to-day activities of the state’s housing loan and grant programs. In that capacity, she worked to pass and then implement the first affordable housing bond initiatives, which made \$550 million available for the construction and rehabilitation of affordable housing throughout the state.

Ms. Corsiglia joined the City of San Jose as the Department of Housing’s first Assistant Director in 1991, and then served for 14 years as the Director. While with the City, she oversaw a program that developed and improved 21,000 affordable housing units, leveraging the City’s funds with more than \$2.7 billion from public and private sources.

She has served on a number of federal, state, and regional boards and currently serves on the Board of the Non-Profit Housing Association of Northern California. She is a dedicated housing wonk, loves policy and research, and is excited to take on the challenge of leading the new start-up venture known as SV@Home.

SV@Home is the voice for affordable housing in Silicon Valley. Based initially in the Housing Trust Silicon Valley, SV@Home is a membership organization that advocates for policies, programs, land use, and funding that lead to an increased supply of affordable housing.

Additionally, SV@Home educates elected officials and the community about the need for housing and the link between housing and other quality of life outcomes, including education, health, transportation, and the environment.
