Priority Production Areas (PPAs): Frequently Asked Questions (FAQs)

Welcome. Is your jurisdiction considering submitting a Letter of Interest (LOI) for the Priority Production Area Pilot Program? Let us tell you more.

The program is intended to:

- Support strong clusters of the region’s economy by enhancing and protecting selected industrial areas through supportive resources and implementation actions.
- Encourage middle-wage job growth close to affordable housing.
- Support networks of production, distribution and repair services, including advanced manufacturing.

ABAG/MTC’s Pilot PPA Program offers the following benefits to selected sites:

- Priority Production Areas will be identified in the region’s long-range plan – Plan Bay Area 2050 – which may help to position these areas for future planning and investment.
- Based on the success of this initial pilot program, ABAG and MTC anticipate working to identify funding opportunities and/or technical assistance to support planning and infrastructure for PPAs.

What does my city/jurisdiction need to know prior to applying?

1. Zoning & Land Use: PPAs need to be zoned for industrial use or have a high concentration of industrial activities such as production, advanced manufacturing, distribution, or related activities.
2. Location: PPAs cannot be within ½ mile of a regional rail station or overlap with a PDA.
3. Designation Flexibility: Jurisdictions may redesignate as a PPA all or part of an existing PDA that is beyond ½ mile of a regional rail station.
4. Housing: The jurisdiction must have a certified housing element.

How do I submit an LOI?

- Fill out the form available by clicking on this link
- Submit a shapefile for the site you have selected as a potential PPA
- Submit your application via email to ppas@bayareametro.gov and CC your ABAG/MTC county coordinator when you submit the application (county coordinators are listed at the end of this document)

Frequently Asked Questions (FAQs)

CAN MY CITY/JURISDICTION HAVE BOTH A PRIORTY DEVELOPMENT AREA (PDA) DESIGNATION AND A PPA DESIGNATION?

Yes, cities can have both PDA and PPA designations, so long as the two geographies do not overlap, and the PPA is not within ½ mile of a regional rail station.

For cities/jurisdictions with established PDAs, you can request a modification to your current PDA boundaries to avoid any potential overlap with a new proposed PPA that meets the regional rail criteria.

PPA OR PDA? HOW DO I MAKE THIS DECISION?

This decision may be best discussed with ABAG/MTC staff. A primary consideration in designating a PPA would be if the area is either a historic industrial area or if it is currently zoned industrial and the jurisdiction plans for the area to have primarily industrial rather than office or residential uses in the area. An area with strong transit connectivity and an existing or planned mix of uses may be better planned as a PDA.

WHAT IS A REGIONAL RAIL STATION?

BART, Caltrain, SMART, and Amtrak stations are all regional rail stations. Light rail stations such as MUNI and VTA rail stations are not considered regional rail stations. Sites along light rail and bus corridors may be eligible to be designated as PPAs. Please note that a ferry terminal is not considered a regional rail station.

CAN A PPA INCLUDE MULTIPLE JURISDICTIONS?

Multiple jurisdictions can submit an application for a PPA, provided that the PPA forms a single cluster, all local governments with land use authority are included, and the area meets all other program criteria. The area must be geographically contiguous.

WHAT IS A “CERTIFIED HOUSING ELEMENT”?

Certified housing refers to following the California Housing and Community Development Department’s requirements.

WOULD THE PPA REQUIRE A SPECIFIC PLAN?

Unlike the PDA Program, the PPA Pilot Program does not require a specific plan for the PPA.

WHAT HAPPENS IF A CITY SUBMITS AN LOI AND DECIDES NOT TO MOVE FORWARD IN THE DESIGNATION OF A PPA?

Should a PPA not be approved by a city council, the city may choose not to pursue a PPA designation after the LOI is submitted.
