Notice of Availability ..........................................Attachment D
The federally required Transportation Improvement Program (TIP) is a comprehensive listing of Bay Area surface transportation projects that are to receive federal funding, are subject to a federally required action, or are considered regionally significant for air quality conformity purposes. The TIP covers a four-year period and must be financially constrained by year, meaning that the amount of dollars committed to the projects (also referred to as “programmed”) must not exceed the amount of dollars estimated to be available. All projects included in the TIP must be consistent with the current Regional Transportation Plan (RTP), Amended Plan Bay Area 2040, and the TIP must be analyzed to determine if the program complies with or “conforms to” federal air quality plans (known as the State Implementation Plan or SIP) and regulations. The Draft 2019 TIP includes projects “programmed” in four fiscal years: FY 2018-19, FY 2019-20, FY 2020-21, and FY 2021-22. This notice also serves to satisfy the public involvement requirements of the Federal Transit Administration (FTA) annual Program of Projects, for applicable funds. These documents and further details are available online at http://mtc.ca.gov/our-work/fund-invest/transportation-improvement-program.

1) Draft 2019 Transportation Improvement Program (TIP): This is the region's transportation programming document that contains surface transportation projects including, but not limited to, public mass transit, highway, local road, bicycle and pedestrian projects proposed for funding based on anticipated available federal, state and local funding over the next four years that will receive federal funds or are subject to a federally required action or are regionally significant. Federal regulations require the TIP to be updated every four years. However, Caltrans requires all Metropolitan Planning Organizations (MPOs) to update their TIPs every two years. The Draft 2019 TIP was developed to be consistent with MTC's Amended Plan Bay Area 2040, the 24-year plan for transportation projects in the nine-county San Francisco Bay Area.

2) Draft Transportation-Air Quality Conformity Analysis for the Amended Plan Bay Area 2040 and the 2019 TIP: MTC is also preparing a new transportation-air quality conformity analysis for the Amended Plan Bay Area 2040 and the 2019 TIP. The Draft 2019 TIP only includes projects consistent with the Amended Plan Bay Area 2040. These projects have been modeled in the appropriate analysis year using the latest planning assumptions.

La Comisión Metropolitana de Transporte (MTC) invita a las personas interesadas a comentar los siguientes documentos provisionales de programación de transporte:

1) Anteproyecto del Programa de Mejora de Transporte (TIP) 2019: Este es el documento de programación del transporte de la región que contiene los proyectos de transporte de superficie, incluyendo, a título de ejemplo, proyectos para transporte público masivo, autopistas, carreteras locales, y ciclistas y peatones que han sido propuestos para la financiación con base en la disponibilidad esperada de fondos federales, estatales y locales durante los próximos cuatro años, y que recibirán fondos federales o están sujetos a una acción requerida a nivel federal, o bien que son de importancia regional. Las regulaciones federales requieren que el TIP sea actualizado cada cuatro años. Sin embargo, Caltrans requiere que todas las Organizaciones Metropolitanas de Planificación (MPOs) actualicen su TIP cada dos años. El Anteproyecto del TIP de 2019 fue desarrollado para ser compatible con el Plan Área de la Bahía 2040 Modificado de la MTC, el plan a 24 años para proyectos de transporte en los nueve condados del Área de la Bahía de San Francisco.

2) Anteproyecto del Análisis de conformidad del transporte con la calidad del aire para el Plan Área de la Bahía 2040 Modificado y el TIP de 2019: MTC además está preparando un nuevo análisis de conformidad del transporte con la calidad del aire para el Plan Área de la Bahía 2040 Modificado y el TIP de 2019. El Anteproyecto de TIP de 2019 sólo incluye proyectos compatibles con el Plan Área de la Bahía 2040 Modificado. Estos proyectos han sido modelados en el año correspondiente del análisis utilizando las suposiciones de planificación más recientes.

Se dispone de copias del Anteproyecto del TIP de 2019, el cual incluye el análisis de límites financieros y el Anteproyecto del Análisis de conformidad del transporte con la calidad del aire, para su revisión por el público a partir del 18 de junio de 2018, en The Hub en el Bay Area Metro Center, 375 Beale Street, 1st Floor, San Francisco, California, 94105. Los documentos también están publicados en el sitio web del MTC en http://mtc.ca.gov/our-work/fund-invest/transportation-improvement-program y se envían a las principales bibliotecas públicas del Área de la Bahía bajo petición.

Se invita a las personas interesadas a comentar estos documentos durante la reunión de julio del Comité de Programación y Asignaciones de la MTC. La reunión está programada para el:

Miércoles, 11 de julio de 2018, 9:40 a.m., o inmediatamente después de la reunión del Comité de Administración de la MTC, lo que ocurra más tarde

375 Beale Street, San Francisco, California

Se pueden enviar comentarios por escrito a la Oficina de Información Pública de MTC, en 375 Beale St, Suite 900, San Francisco, CA 94105 o por fax a MTC al 415-536-9800 o por correo electrónico a <info@bayareametro.gov>. Los comentarios escritos deben recibirse antes de las 5 p.m. del jueves, 19 de julio de 2018. Para obtener más información, llame a la Oficina de Información Pública de MTC al 415-778-6757.

Este aviso también sirve para satisfacer los requisitos de participación pública del programa anual de proyectos de la Dirección Federal de Transporte (FTA), para fondos aplicables.

En su reunión ordinaria de septiembre del Comité de Programación y Asignaciones, programada para el 12 de septiembre de 2018, se prevé que MTC considerará los comentarios de público recibidos al final del período de comentarios. MTC tiene programado aprobar el análisis final de conformidad del transporte con la calidad del aire y el TIP de 2019 el miércoles, 26 de septiembre de 2018, durante su reunión ordinaria de la Comisión.

Interested persons are invited by the Metropolitan Transportation Commission (MTC) to comment on the following draft transportation programming documents:

1) Draft 2019 Transportation Improvement Program (TIP): This is the region’s transportation programming document that contains surface transportation projects including, but not limited to, public mass transit, highway, local road, bicycle and pedestrian projects proposed for funding based on anticipated available federal, state and local funding over the next four years that will receive federal funds or are subject to a federally required action or are regionally significant. Federal regulations require the TIP to be updated every four years. However, Caltrans requires all Metropolitan Planning Organizations (MPOs) to update their TIPs every two years. The Draft 2019 TIP was developed to be consistent with MTC’s Amended Plan Bay Area 2040, the 24-year plan for transportation projects in the nine-county San Francisco Bay Area.

2) Draft Transportation-Air Quality Conformity Analysis for the Amended Plan Bay Area 2040 and the 2019 TIP: MTC is also preparing a new transportation-air quality conformity analysis for the Amended Plan Bay Area 2040 and the 2019 TIP. The Draft 2019 TIP only includes projects consistent with the Amended Plan Bay Area 2040. These projects have been modeled in the appropriate analysis year using the latest planning assumptions.

Copies of the Draft 2019 TIP, which includes the financial constraint analysis, and the Draft Transportation-Air Quality Conformity Analysis are available for public review starting June 18, 2018, at The Hub at the Bay Area Metro Center, 375 Beale Street, 1st Floor, San Francisco, California, 94105. The documents are also posted on the MTC web site at http://mtc.ca.gov/our-work/fund-invest/transportation-improvement-program and sent to major public libraries throughout the Bay Area upon request.

Interested persons are invited to comment on these documents during MTC’s July Programming & Allocations Committee meeting. The meeting is currently set for:

Wednesday, July 11, 2018, 9:40 a.m., or immediately following MTC’s Administration Committee meeting, whichever occurs later, 375 Beale Street, San Francisco, California

Written comments may be submitted to MTC’s Public Information Office at 375 Beale St, Suite 800, San Francisco, CA 94105 or faxed to MTC at 415-536-9000 or sent via e-mail to <info@bayareametro.gov>. Written comments are due by 5 p.m. on Thursday, July 19, 2018. For more information, call MTC’s Public Information Office at 415-778-6757.

This notice also serves to satisfy the public involvement requirements of the Federal Transit Administration (FTA) annual Program of Projects, for applicable funds.

At its regularly scheduled September Programming and Allocations Committee meeting, currently scheduled for September 12, 2018, MTC is scheduled to consider public comments received by the end of the comment period. MTC is scheduled to approve the final transportation-air quality conformity analysis and the 2019 TIP on Wednesday, September 26, 2018, during its regularly scheduled Commission meeting.
