

TRAFFIC ADVISORY — Feb. 1, 2017

Work continues on the Interstate 580 Richmond-San Rafael Bridge Access Improvement Project. Construction updates for the week of January 30th through the week of February 6th, 2017 are as follows:

DAYTIME

- **Mon-Fri 5AM-2PM** - Shoulder closures in the eastbound direction of I-580 on the Richmond-San Rafael Bridge. This work is long-term and will occur daily through Fall 2017.

NIGHTTIME

- **Mon-Fri 7PM-6AM in Marin** – Closure of the eastbound I-580 off ramp at Main Street (San Quentin exit). Please see below for a detour map.
- **Mon-Fri 9PM-5AM in Marin** - Lane closures in the eastbound and westbound directions of I-580 from Sir Francis Drake to the Richmond-San Rafael Bridge. One lane in each direction will remain open at all times.
- **Mon-Fri 9PM-5AM in Richmond** - Lane closures in the eastbound and westbound directions of I-580 between Castro Street and the Richmond-San Rafael Bridge toll plaza. One lane in each direction will remain open at all times. This work will occur nightly through the end of February.
- **Mon-Fri 10PM-5AM in Marin** – Roadway flagging operations on Main Street between Francisco Blvd and the eastbound I-580 on/off ramps. One lane will remain open at all times. This work will occur nightly through the end of February.

Notice: This information is based on the work plans submitted by the contractors which are subject to change. For the most current information on all lane and ramp closures, please check the web site shown below before beginning your travel.

For More Information

If you have additional questions about the project or construction updates, please call the project hotline at (510) 273-3640.

About the RSR Bridge Access Improvement Project

Over the last 50 years, the Richmond San Rafael (RSR) Bridge has efficiently and effectively served Bay Area travelers while seeing a steady increase in daily vehicle use in recent years. From 2009 to 2014, the Annual Average Daily Traffic (AADT) across the bridge climbed from 70,000 to 80,000 representing a 14.3-percent increase. The RSR Bridge Access Improvements will ease congestion by increasing vehicle capacity on the Bridge and providing a new route for non-motorized travelers.

The RSR Bridge Access Improvement Project is made possible by a partnership between BATA, Caltrans, the Contra Costa County Transportation Authority (CCTA) and the Transportation Authority of Marin (TAM).
