Bay Area Bipartisan Infrastructure Law (BIL) Regional Grants Prioritization
FINAL Regional Endorsement List
 March 23, 2022

MTC will periodically revisit over the five-year BIL funding period, as federal grant guidelines are refined and as project funding plans evolve, including results from current and future state and federal grant cycles.

BIL Grant Program	5 Year National Total (Guaranteed)	Recommended Projects, cont.
Multimodal Projects of National & Regional Significance (US Department of Transportation)		
MEGA (National Infrastructure Project Assistance) LARGE (>\$500 million)	\$5 billion (LARGE & SMALL)	Innovate 680 Express Lane project with supplemental transit/Express Bus component
MEGA (National Infrastructure Project Assistance) SMALL (\$100 million - \$500 million)		Transforming Oakland's Waterfront Neighborhoods Project (TOWN) <i>Inclusion of other projects in this category is subject to MTC's Major Project Advancement Policy (MAP) to be adopted by Summer 2022.</i>
Road, Bridge & Multimodal Projects (Federal Highway Administration (FHWA))		
Bridge Investment Program LARGE (Projects >\$100 million)	\$12.5 billion (\$6.25 b minimum for large bridges)	Golden Gate Bridge Seismic (first priority for Bridge Investment Program funding) Bay Bridge Rehabilitation
INFRA (nationally significant freight)	\$8 billion	I-80 Clean Freight Truck Scales project (component of proposed East Bay Clean Freight Corridor program)
Rural Surface Transportation Program	\$2 billion	State Route 37 Interim Project
PROTECT (surface transportation resilience)	\$1.4 billion	State Route 37 Resilience Improvements
Port Infrastructure and Electrification (Maritime Administration and FHWA)		
Port Infrastructure Development Program	\$2.5 billion	Port of Oakland Electrification and Modernization
Reduce Truck Emissions at Ports	\$400 million	

*Grade separation recommendations were prioritized based on project benefits related to equity, safety (including inclusion in the California Public Utilities Commission's (CPUC) grade separation priority list), mobility (including goods movement, passenger rail/transit mobility and bicycle/pedestrian access), connecting California High-Speed Rail to the Bay Area. All but one project in this list are high-priority safety improvements ranked on the CPUC's grade separation priority list. The exception is the Pennsylvania Avenue Extension Grade Separation project, which met other criteria and still provides a safety benefit.

Notes:

1. Staff has reflected each program's administrating agency to the best of our knowledge. In some cases, U.S. Department of Transportation (the Secretary's office) may administer programs identified here as being administered by a modal agency.
2. This project list identifies the Bay Area's priorities for the select BIL grant programs, as of March 2022.
