8. Adjournment / Next Meetings

*The next meeting of the Regional Network Management Council is scheduled to be held at 11:30 a.m. on Monday January 22, 2024 at the MTC, 1st Floor Board Room, 375 Beale Street, San Francisco CA 94105. Any changes to the schedule will be duly noticed to the public.*
Public Comment: The public is encouraged to comment on agenda items at Committee meetings by completing a request-to-speak card (available from staff) and passing it to the Committee secretary. Public comment may be limited by any of the procedures set forth in Section 3.09 of MTC's Procedures Manual (Resolution No. 1058, Revised) if, in the chair's judgment, it is necessary to maintain the orderly flow of business.

Meeting Conduct: If this meeting is willfully interrupted or disrupted by one or more persons rendering orderly conduct of the meeting unfeasible, the Chair may order the removal of individuals who are willfully disrupting the meeting. Such individuals may be arrested. If order cannot be restored by such removal, the members of the Committee may direct that the meeting room be cleared (except for representatives of the press or other news media not participating in the disturbance), and the session may continue.

Record of Meeting: Committee meetings are recorded. Copies of recordings are available at a nominal charge, or recordings may be listened to at MTC offices by appointment. Audiocasts are maintained on MTC's Web site (mtc.ca.gov) for public review for at least one year.

Accessibility and Title VI: MTC provides services/accommodations upon request to persons with disabilities and individuals who are limited-English proficient who wish to address Commission matters. For accommodations or translations assistance, please call 415.778.6757 or 415.778.6769 for TDD/TTY. We require three working days' notice to accommodate your request.

可及性和法令第六章：MTC根据要求向希望来委员会讨论有关事宜的残疾人士及英语有限者提供服务/方便。需要便利设施或翻译协助者，请致电 415.778.6757 或 415.778.6769 TDD / TTY。我们要求您在三个工作日前告知，以满足您的要求。

Acceso y el Titulo VI: La MTC puede proveer asistencia/facilitar la comunicación a las personas discapacitadas y los individuos con conocimiento limitado del inglés quienes quieran dirigirse a la Comisión. Para solicitar asistencia, por favor llame al número 415.778.6757 o al 415.778.6769 para TDD/TTY. Requerimos que solicite asistencia con tres días hábiles de anticipación para poderle proveer asistencia.

Attachments are sent to Committee members, key staff and others as appropriate. Copies will be available at the meeting.

All items on the agenda are subject to action and/or change by the Committee. Actions recommended by staff are subject to change by the Committee.

December 18, 2023

Regional Network Management Council Charter

Subject:

Endorsement of the Regional Network Management (RNM) Council Charter.

Background:

In February of this year, the Commission approved the RNM framework (MTC Resolution No. 4564), which included a structure for carrying out the objectives of the regional network management program. In furtherance of the Commission’s commitment to that plan, staff has been working to establish an RNM Council, comprised of Operator and MTC Executive staff. The RNM Council Charter (Attachment A) outlines the mission statement, roles, responsibilities, procedures, appointment process, and membership criteria for the RNM Council. At the November 27, 2023 RNM Council meeting, staff presented the RNM Council Charter for review and discussion. Overall feedback was supportive of the charter as written, with an expressed interest in having an ongoing conversation on balanced and equitable representation on the RNM Council.

On December 8, 2023, staff presented the RNM Council Charter to the RNM Committee, which referred the charter to the MTC Commission for approval, following an opportunity for the RNM Council to endorse the charter on December 18, 2023.

Issues:

None identified.

Recommendations:

Endorse the RNM Council Charter, MTC Resolution No. 4622.

Attachments:

- Attachment A: MTC Resolution No. 4622, RNM Council Charter
ABSTRACT

MTC Resolution No. 4622

This resolution defines the role and responsibilities of the Regional Network Management (RNM) Council.

This resolution contains the following attachments:

- Attachment A – which outlines the mission statement, roles, responsibilities, procedures, appointment process and membership criteria for the RNM Council.
- Attachment B – a table listing the current RNM Council membership.

Further discussion of this action is contained in the Regional Network Management Committee memorandum dated December 8, 2023.
METROPOLITAN TRANSPORTATION COMMISSION
RESOLUTION NO. 4622

WHEREAS, the Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for the San Francisco Bay Area pursuant to California Government Code Section 66500 et seq.; and

WHEREAS, MTC is the federally designated Metropolitan Planning Organization (MPO), pursuant to Section 134(d) of Title 23 of the United States Code (USC) for the nine-county San Francisco Bay Area region (the Bay Area or region); and

WHEREAS, MTC convened the Blue Ribbon Transit Recovery Task Force (Task Force) in 2020 and 2021 to respond to the COVID-19 pandemic and the impacts to transit; and

WHEREAS, the Blue Ribbon Transit Recovery Task Force developed and endorsed the Transit Transformation Action Plan (Action Plan) in July 2021, which identifies near-term actions needed to achieve a more connected, efficient, and user-focused mobility network across the Bay Area and beyond and the Action Plan was received and accepted by MTC in September 2021; and

WHEREAS, MTC approved Resolution No. 4564 on February 22, 2023, which expressed policy support for a Regional Network Management (RNM) Framework to achieve the desired near-term outcomes in the Action Plan and to improve the Bay Area’s regional transit network towards a longer-term transformation; and
WHEREAS, the Regional Network Management Framework outlines initial regional transit focus areas, committees and their roles, and a review process to evolve the RNM structure as needed over the long term; and

WHEREAS, the Regional Network Management Framework proposes a Council of Executive-level Operator and MTC representatives who understand transit operations and can represent the interests of their stakeholders and provide leadership and critical input on regional policies, now, therefore be it

RESOLVED, that the Commission authorizes and ratifies the convening of the Regional Network Management Council; and be it further

RESOLVED, that the members of the Regional Network Management Council will be appointed according to the process and shall have the roles and responsibilities as described in Attachment A to this resolution, attached hereto and incorporated herein as though set forth at length; and be it further

RESOLVED, that Regional Network Management Council membership roster is contained in Attachment B to this resolution; and be it further

RESOLVED, that the Commission may periodically revise Attachment B to reflect changes to Regional Network Management Council representatives.

METROPOLITAN TRANSPORTATION COMMISSION

______________________________
Alfredo Pedroza, Chair

The above resolution was entered into by the
Metropolitan Transportation Commission
at a regular meeting of the Commission held in
San Francisco, California, and at other remote
locations, on December 20, 2023.
Attachment A: RNM Council Charter

A. RNM Council Purpose, Mission, and Vision

The purpose of the Regional Network Management (RNM) Council is to bring together leadership from transit agencies and MTC to provide executive guidance on regional transit policies and actionable implementation plans in pursuit of the RNM’s Mission and Vision.

The RNM’s Mission is to drive transformative improvements in the customer experience for regional Bay Area transit.

The RNM’s Vision is to advance regional goals in equity, livability, climate, and resiliency through a unified regional transit system that serves all Bay Area populations.

B. RNM Council Membership and Roles

The RNM Council shall be composed of eleven (11) members as follows:

a) Alameda-Contra Costa Transit District (AC Transit) General Manager
b) Bay Area Rapid Transit (BART) General Manager
c) Caltrain Executive Director
d) Golden Gate Bridge, Highway and Transportation District (Golden Gate) General Manager
e) Metropolitan Transportation Commission (MTC) Executive Director
f) San Francisco Municipal Transportation Agency (SFMTA) General Manager/Director of Transportation
g) San Mateo County Transit District (SamTrans) General Manager/CEO
h) Santa Clara Valley Transportation Authority (VTA) General Manager/CEO
i) Three General Managers representing other transit providers serving the region, selected at the sole discretion of those operators.

RNM Council members shall be ratified to the RNM Council by the MTC Commission.

Each RNM Council member may formally designate up to one named alternate (“Designated Alternate”) per calendar year. A change to a Designated Alternate prior to the completion of the calendar year must be approved by the Council. Designated Alternates may attend up to four (4) RNM Council Meetings per year to vote on behalf of the RNM Council member.
The RNM Council shall elect a Chair and Vice-Chair from its members to represent the RNM Council in communications with others, provide input on agendas, and facilitate RNM Council meetings. The Chair and Vice-Chair terms shall be two years. The RNM Council shall elect a Chair and Vice-Chair at its inaugural convening. Thereafter, elections shall be held biannually prior to the December meeting of odd numbered years. In the event of a change in RNM Council Chair or Vice-Chair membership, the RNM Council shall hold a special election to fill the vacancy until the next regular Chair and Vice-Chair election.

C. RNM Council Roles and Responsibilities

The RNM Council will meet in public at regularly scheduled monthly meetings to direct initiatives that advance the RNM Mission and Vision. The RNM Council has the following roles and responsibilities:

- Elect a Chair and Vice-Chair to represent the RNM Council in communications with others, set agendas, and facilitate RNM Council meetings.
- Adopt an annual Work Plan and budget, if applicable, each fiscal year.
- Provide recommendations to the RNM Committee, other MTC Committees, or other relevant authorities on regional transit policies, actionable implementation plans, and Key Performance Indicators (KPIs) related to the effectiveness and performance of the RNM structure.
- Provide direction to dedicated RNM support staff under management of the RNM Director, and, upon agreement, MTC staff, operator staff, or other professionals assigned to work on RNM initiatives.
- Organize Task Forces, Sub-Committees, or Technical Work Groups to inform its actions.
- Establish and monitor regional transit performance KPIs and adjust the Work Plan in response to relevant trends.
D. RNM Council Meetings and Decision-Making

The RNM Council shall have a monthly standing meeting that will be established through the RNM Council’s annual Work Plan. As needed, the RNM Council may hold additional, special meetings. All RNM Council meetings will be noticed and open to the public. The RNM Council Chair shall facilitate meetings and provide an opportunity for public comment on each agenda item.

Six (6) members of the RNM Council, including any Designated Alternates attending on behalf of a member, constitute a quorum. The RNM Council will act by majority vote. Each member shall have one vote. A consensus shall be sought prior to taking a simple majority vote.

In instances where a decision is approved but not by unanimous vote, the dissenting member(s) may request, if applicable, that the decision be documented to the referring committee to reflect the divergence in positions. Potential characteristics may include, but are not limited to:

- Breakdown of the Council Member vote
- The transit system represented by the dissenting Member vote(s)
- The ridership of the system represented by the dissenting Member vote(s)
- Any minority opinions

This voting procedure shall apply to advisory actions needed as part of the Council Work Plan, and the voting will be re-evaluated should the Council’s role evolve to include decision authority actions on revenue, expenditures, and fares. The goal of any voting structure for the RNM Council should strive for balanced and equitable representation from operators of all sizes in decisions that may impact the riders and/or financial health of transit agencies.

The RNM Council voting structure will be reviewed as part of the RNM framework’s continuous improvement assessment; every 2 years at a minimum.

E. RNM Council Work Plan

The RNM Council shall adopt an annual Work Plan each fiscal year. The RNM Council Work Plan shall be guided by the RNM Mission and Vision. The Work Plan shall also consider any requests for recommendations from the RNM Committee or other MTC Committees.
At the start of the Work Plan’s preparation, MTC shall identify the available budget to support the RNM Council’s work. A draft of the Work Plan shall be provided to the RNM Committee for review and comment prior to final RNM Council action.

Following RNM Council adoption, the Work Plan may be amended by approval of the RNM Council Chair to address emerging matters or timely opportunities. RNM Council members and the RNM Committee shall be informed of any amendments to the Work Plan.

F. Dedicated RNM Support Staff

The RNM Council will give direction to dedicated RNM Support Staff on the implementation of the annual Work Plan and in development of recommendations. Dedicated RNM Support Staff will include an RNM Director and other supporting staff members. The RNM Director shall be responsible for development of the RNM Council Work Plan; oversight of other dedicated RNM Support Staff, consultants, and contractors; and the effectuation of the Work Plan adopted by the RNM Council in accordance with the budget.

MTC reserves the right to make decisions regarding hiring, promotion, compensation, and removal of the RNM Director, but it shall collaborate with the RNM Council as part of annual performance reviews and when considering potential candidates for RNM Director.

G. RNM KPIs, Evaluation, and Improvement

The RNM Council will establish KPIs to track the performance of the regional transit network (“Benefits KPIs”). The RNM Council shall also provide recommendations to the MTC RNM Committee on KPIs related to the effectiveness and performance of the RNM structure (“Program KPIs”).

The MTC RNM Committee will conduct performance reviews every two years, using the established Benefits and Program KPIs to identify improvement opportunities for the newly created structure, including the RNM Council.

H. Relationship to RNM Customer Advisory Group

While the RNM Customer Advisory Group’s main role is to advise the RNM Committee, the RNM Council may request the Customer Advisory Group to provide customer perspectives for certain topics.

Regional Network Management Council FY2023-2024 and 2024-25 Work Plan

Initial work to stand up the RNM Council includes adoption of a Work Plan. Staff have incorporated feedback from the RNM Council and RNM Committee and are returning for approval of the RNM Council FY 2023-24 and 2024-25 Work Plan.

Presenter:
Melanie Choy (MTC), and Hannah Lindelof (BART)

Recommended Action:
Approval

Attachments:
Subject:

Background:
In February of this year, the Commission approved the RNM framework (MTC Resolution No. 4564), which included the creation of a Regional Network Management (RNM) Council. Initial work to stand up the RNM Council includes adoption of a Work Plan.

Work Plan Development:
MTC and transit operator staff have collaborated to develop a Draft Work Plan to guide the RNM Council’s activities in FY 2023-24 & 2024-25. The RNM Council Work Plan is anchored by the Transit Transformation Action Plan (TAP) “desired outcomes” and the Mission and Vision of the RNM. Items included in this year’s Work Plan aim to balance between initiatives already having momentum and funding (such as the roll-out of the regional mapping and wayfinding system) and introducing new priorities that would benefit from systematic, consistent regional implementation support, such as cross-agency pilots and initiatives. Work Plan items share a common focus on tangible customer benefits.

Furthermore, entering its first year, the RNM Council Work Plan must also attend to and advance its evolving competencies, including developing program accountability tools measuring the RNM structure’s effectiveness at driving ambitious TAP outcomes.

Next Steps:
Staff have received feedback from the RNM Council and RNM Committee on the Draft Work Plan and are returning for approval of the Work Plan. No changes were made to the Draft Work Plan being presented this month; however, changes will be incorporated into future updates of the Work Plan. The Draft Work Plan was presented to the RNM Council in November and to the RNM Committee in December for review and feedback. At its November meeting, the RNM Council emphasized the importance of the Work Plan as the foundation for listening to and...
effectively communicating with the public, achieving tangible outcomes for riders, and establishing and reporting on performance measures. At its December meeting, the RNM Committee, expressed similar interest in achieving tangible outcomes for riders and better defining timelines for work plan items, as well as identifying potential challenges to implementation.

Following adoption of the RNM Council FY 2023-24 and 2024-25 Work Plan, staff will work with the Council to update the Work Plan as needed, including refining timelines for work plan items. In response to the importance of establishing performance measures, this month’s presentation will outline an overall process and initial thinking for the development of RNM performance measures and key performance indicators (KPIs). These performance measures will address the frequency of updates as well as timelines/milestones for work plan items.

**Issues:**

None identified.

**Recommendations:**

**Attachments:**

- Attachment B: Presentation
Regional Network Management (RNM) Council
Fiscal Year (FY) 2023-24 & FY 2024-25 Work Plan

The RNM Council FY 2023-24 and FY 2024-25 Work Plan operationalizes collaboration among MTC and the Bay Area's Transit Operators to help realize transit riders' needs across the region.

The RNM Work Plan is anchored by the Transit Transformation Action Plan (TAP) "desired outcomes" and the Mission and Vision of the RNM.

**RNM Mission:** To drive transformative improvements in the customer experience for regional Bay Area transit

**RNM Vision:** To advance regional goals in equity, livability, climate, and resiliency

Items included in this year's Work Plan aim to balance between initiatives already having momentum and funding (such as the roll-out of the regional mapping and wayfinding system) and introducing new priorities that would benefit from systematic, consistent regional implementation support, such as cross-agency pilots and initiatives. Work Plan items share a common focus on tangible customer benefits. Proactive attention to these items leads to improved transit competitiveness, faster deployment of change, and regional consistency.

Furthermore, entering its first year, the RNM Work Plan must also attend to and advance its evolving competencies, including developing program accountability tools measuring the RNM structure's effectiveness at driving ambitious Transit Transformation Action Plan (TAP) outcomes, as shown below. The Work Plan also introduces an initiative to adopt new regional and customer-focused performance measures to track system improvements and better create a predictable feedback loop with the regional customer.
Transit Transformation Action Plan Desired Outcomes

| Develop strategies to fully fund TAP initiatives | Additional funds are needed to support the entire suite of RNM initiatives. Many TAP initiatives are pilot programs that require identification of ongoing funding.  
- Prioritizing the use of limited funding to advance RNM initiatives  
- Identify opportunities for ongoing funding for priority programs | Ongoing |
| Advocacy for funding | Facilitate cooperative activities to support ongoing advocacy to secure funding for transit throughout the region. | Ongoing |
# RNM Council FY2023-24 & FY2024-25 Work Plan

## RNM Council Management

- RNM standup activities (Charter, Work Plan, budget, staffing, etc.)
- TAP two-year status update and amendment
- Develop program and benefit KPIs
- Develop FY2025-26 Work Plan

## Transit Transformation Action Plan

### Fares & Payment
- Clipper START
  
  Currently overseen by the Fare Integration Task Force:
  - Clipper BayPass launch and expansion (e.g. for major events)
- No-cost/reduced-cost interagency transfers
- Refine vision for common fare structure for regional transit

### Customer Information
- Prototypes and pilots for regional mapping & wayfinding signage
- Availability and reliability of regional real-time transit data
- Strategic/cohesive communications
- Coordinated customer experience surveys

### Transit Network
- Transit priority implementation (e.g., BusAID)
- Regional Transit Priority Policy
- Transit 2050+ project performance assessment and network concepts

### Accessibility
- Standardize paratransit and Clipper RTC eligibility practices
- Improve regional paratransit trips through one-seat ride pilot programs, improved cost-sharing, and enhanced transfer policies

### Funding
- Develop strategies to fully fund TAP initiatives
- Ongoing advocacy for funding

## Legend

- **Legend**
  - Ongoing TAP work that creates tangible outcomes for riders
  - Ongoing TAP work related to planning and policymaking
  - New activities

---

2
General Framework for RNM Performance Measures

RNM Performance Measures should...

• Measure progress on regional transit initiatives, with a focus on benefits to riders
• Assess how well the RNM framework is working to deliver its intended outcomes
• Inform continuous evolution and improvement of the RNM
• Tell a holistic story through a combination of quantitative and qualitative measures
• Are feasible for MTC and transit operators to report on an ongoing basis
• Evolve over time as needed
## RNM Performance Measures: Proposed Categories

<table>
<thead>
<tr>
<th>Regional Transit Outcomes</th>
<th>RNM Effectiveness</th>
</tr>
</thead>
<tbody>
<tr>
<td>(“Benefits KPIs”)</td>
<td>(“Program KPIs”)</td>
</tr>
<tr>
<td>Measures of the performance of the regional transit network from the <strong>perspective of riders and operators</strong>, that can demonstrate progress and help inform where RNM activity is needed</td>
<td>Measures of the RNM’s performance and ability to deliver the intended benefits that can <strong>inform the continuous evolution of the RNM structure</strong></td>
</tr>
</tbody>
</table>

**Additional questions to be addressed through this effort:**

- **Targets:** What measures should have targets? How should we determine those targets?
- **Frequency:** What is the appropriate frequency for reporting for each measure?
- **Format:** What is the appropriate format (report, dashboard, etc.) for presenting the metrics?
## RNM Performance Measures: Categories & Potential Sub-Categories

<table>
<thead>
<tr>
<th>Measure Type</th>
<th>Category &amp; Sub-Categories</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Regional Transit Outcome Measures</strong></td>
<td><strong>Rider Experience</strong> The end-to-end journey and experience of individual riders on transit</td>
<td><strong>Safety</strong> Providing a safe, secure, and comfortable environment for riders</td>
</tr>
<tr>
<td></td>
<td><strong>Reliability</strong> Establishing a dependable system that is on-time and predictable</td>
<td><strong>Connectivity</strong> Creating an integrated network that is coordinated, convenient, and easy to use</td>
</tr>
<tr>
<td></td>
<td><strong>Equity</strong> Ensuring the transit system is inclusive, accessible, and serves diverse rider needs</td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>Regional Transit Operations</strong> The overall health of the regional transit network</td>
<td><strong>Growing regional ridership levels and supporting transit operations by delivering on the RNM Mission and Vision</strong></td>
</tr>
</tbody>
</table>

### RNM Effectiveness Measures

**RNM Effectiveness** How effective the RNM framework is in delivering its Mission and Vision

Measures that inform the continuous improvement of the RNM framework (e.g., actions taken, work plan progress, capabilities)
Next Steps

Today: Monday, December 18

RNM Council reviews and provides feedback on approach for performance measures.

RNM Council refers performance measures to RNM Committee/MTC Commission for approval.

Winter 2023-24

RNM and transit operator staff incorporate feedback and develop proposed performance measures.

Early 2024

RNM Council and RNM Customer Advisory Group review and provide feedback on proposed performance measures.

RNM Council refers performance measures to RNM Committee/MTC Commission for approval.

Early 2024

RNM Committee/MTC Commission approves RNM performance measures.

Ongoing

RNM and transit operator staff work to collect and report on performance measures.

Early to mid-2024: SB125 accountability reporting via established process for claiming transit operator funding.
Title: Transit Transformation Action Plan: Update on Regional Transit Priority Efforts

A presentation on current efforts focused on the development of a regional Transit Priority Policy and funding the design and delivery of near-term transit projects that improve speed and reliability.

December 18, 2023

Agenda Item 5a

Transit Transformation Action Plan: Update on Regional Transit Priority Efforts

Subject:

An update on the identification of near-term transit projects to improve transit speed and reliability and development of a regional Transit Priority Policy.

Background:

Investing in transit priority throughout the Bay Area roadway network is one of many strategies adopted by MTC to improve the transit customer experience and encourage more people to use transit. Transit priority efforts are being developed in close partnership with transit agency partners. Specifically, the Bus Accelerated Infrastructure Delivery (BusAID) effort and regional Transit Priority Policy – Transit Transformation Action Plan (TAP) items No. 9 and 12 respectively – are being co-led by MTC and AC Transit staff. A Transit Priority Working Group (TPWG) consisting of transit operator staff was formed in July 2023 to provide regular input on transit priority work at all stages.

BusAID Program (TAP Action No. 9)

The BusAID effort serves to inventory transit operator-identified “hotspot” locations with delay or reliability issues and fund the delivery of near-term (quick-build) transit priority projects. The intent is to maximize travel time savings and service reliability improvements for the most people as quickly as possible, while centering populations that depend on transit the most.

Staff initiated the BusAID program in spring 2023, interviewing each of the 20 Bay Area bus, light rail, and streetcar operators to document barriers to transit priority and inventory operator-identified hotspot locations with delay or reliability issues (Phase 1). Upon finalizing the hotspot inventory, staff developed hotspot scoring criteria related to transit service characteristics, equity considerations, and PBA 2050 Priority Development Areas (Phase 2). Staff presented draft scoring criteria to the August TPWG and October RNM Customer Advisory Group and are seeking additional input from the RNM Council. The scoring criteria will be used to generate a draft project list, which will be presented to the RNM Council and other advisory bodies in early
2024. Subsequently, staff will evaluate the feasibility/readiness of the highest scoring projects to develop project funding recommendations (Phase 3). Upon approval of project funding recommendations, project sponsors can begin implementation (Phase 4).

**Table 1: BusAID Schedule**

<td></td>
</tr>
</tbody>
</table>

**Transit Priority Policy (TAP Action No. 12):**

The purpose of the Transit Priority Policy is to establish a regional vision to support the implementation of transit priority initiatives and address barriers such as project delivery processes, multi-agency coordination challenges, data availability, and limited funding.

A workshop was held on December 12 to kick off the development of the Policy and included staff from transit agencies, Caltrans, county transportation agencies, cities, advocacy organizations, and MTC (Phase 1). In early 2024, staff will develop policy content and supporting documents, informed by the workshop and input from the RNM Council and other advisory bodies (Phase 2). Staff are targeting mid to late 2024 for policy adoption (Phase 3).

**Table 2: Regional Transit Priority Policy Schedule**

<table>

Update on Regional Transit Priority Efforts

Regional Network Management Council
December 18, 2023  Agenda Item 5a Attachment A
Today’s Agenda

• Regional Transit Efforts
  o Regional Transit Priority Policy
    • Program Overview & Schedule
  o Bus Accelerated Infrastructure Delivery (BusAID)
    • Program Overview & Schedule
    • Draft Scoring Criteria & Weighting
MTC Long- and Near-Term Plans Underscore Transit’s Importance for the Region

Plan Bay Area 2050 (PBA)

- Infuses billions of dollars into faster, more reliable transit (including rail and express bus service.)
- Improves access to frequent transit and to safe bicycle and pedestrian facilities.
- Achieves state-mandated greenhouse gas reduction target.

Transit Transformation Action Plan

- Key component of PBA 2050’s Implementation Plan.
- Near-term implementation helps revitalize Bay Area transit.
MTC Transit Priority Efforts

Today's focus

Plan Bay Area 2050 Action 6F
Transit Transformation Action Plan Actions 9 & 12
What is Transit Priority?

- Transit Lanes
- Queue Jump Lanes
- Turn Restrictions
- Stop Siting
- HOV Lanes
- Transit Signal Priority
- Stop Design
- Enforcement
Regional Transit Priority Policy

• Establish a regional vision to support the implementation of transit priority initiatives and address barriers such as:
  o Project delivery processes
  o Multi-agency coordination challenges
  o Data availability
  o Limited funding
Regional Transit Priority Policy Schedule

Early Coordination & Workshop
Fall 2023

Council feedback on draft policy document

Policy Development
Winter/Spring 2024

Policy Adoption & Implementation
Mid-2024 Onward
BusAID

• Inventory operator-identified “hotspot” locations with delay or reliability issues and fund the delivery of near-term (quick-build) transit priority projects.

• Intent is to maximize travel time savings and service reliability improvements for the most people as quickly as possible, while centering populations that depend on transit the most.
BusAID Schedule: Phases 1-3
Hotspot Inventory, Project List, Funding Recommendations

Operator Interviews & Hotspot Inventory
Spring/Summer 2023

Hotspot Project List
Fall 2023/Winter 2024

Feasibility/Readiness Assessment & Funding Recommendations
Winter/Spring 2024

Council feedback on draft criteria

Council feedback on draft project list
BusAID Schedule: Phase 4
Funding, Implementation, and Monitoring

Project Funding Receipt Process
Mid-2024 through Early 2025 (contingent on fund source)

Project Implementation
Mid-2024/Early 2025 Onward

Project Completion & Monitoring
Early 2026 Onward
BusAID Criteria & Weighting (Draft)

- **Transit Service (60% weight)**
  - Total ridership
  - Potential delay reduction

- **Equity (30% weight)**
  - Rider demographics
  - Presence of Equity Priority Community (EPC)

- **Priority Development Area (10% weight)**
  - Presence of Priority Development Area (PDA)
BusAID Feasibility/Readiness Assessment

Not part of project scoring. Used to filter project list, after scoring, to develop funding recommendations, given emphasis on near-term improvements to the transit network.

- Project Cost
- Project Delivery Phase
- Quick-Build Potential
- Environmental Clearance
- Scalability
- ROW Agency Support/Coordination
- Project Sponsor & Delivery Agency
- Type(s) of Assistance Needed
Ongoing Coordination

• Transit Agency/MPO Shared Management
  o Co-project management on regional transit priority, wayfinding, fare payment, and long-range planning efforts

• Regular Reports to Advisory Bodies
  o RNM Council
  o RNM Customer Advisory Group

• Regular Stakeholder Meetings
  o Transit Priority Working Group (operator staff)
  o Arterial Operations Committee (city/county staff)
  o Bay Area County Transportation Agencies Executive Roundtable (county executives/staff)
  o Bay Area Partnership Accessibility Committee
  o Caltrans Check-Ins (District 4 staff)

• Cross-Department Collaboration at MTC
  o Internal coordination between related MTC efforts

December 7, 2023

Dear Fare Integration Task Force members, Transit Agency Board Members, and MTC Commissioners,

Thank you very much for advancing the Clipper BayPass all-agency transit pass pilot, expanding from the initial participant base of public higher education and affordable communities to include up to 10 employers and transportation management associations with up to 20,000 participants.

We are very pleased to see the dramatic success of the first phase of the BayPass pilot showing a 35% increase in transit ridership among people whose access was expanded from a single agency to all agencies, improving mobility for people, helping the transit system regrow ridership, and advancing our region’s goals on climate, equity and congestion relief.

Our organizations strongly believe that an all-agency institutional pass is one of the fastest and most meaningful options available to the region to regrow transit ridership and expand access to the transit system. While we are glad that this next phase of the pilot is advancing we urge MTC and transit operators to maintain their focus on this effort and to work expediently toward a full scale launch and region-wide formalization of the BayPass program as soon as possible. We understand that this will require formalizing a pricing and revenue distribution structure for the program as well as addressing long term implications for existing institutional pass programs.

We are confident that MTC and operators can come together to creatively overcome these implementation hurdles without further delay or compromise to the overall program. The need to rebuild ridership and strengthen public trust in the region’s transit system is an imperative and mutual responsibility that all operators share. Transit is not on a sustainable course and the need for public investment in the system has never been greater- showing that we have the capacity to work together and change is essential.

Thank you for your consideration,
