

Select Committee on Bay Area Transportation Revenue Measure

October 21, 2024

Agenda Item 4c

I move that the Select Committee adopt the following recommendation to the Commission related to policy provisions in enabling legislation for a transportation revenue measure:

- Enabling legislation should include new accountability provisions to provide greater oversight of transit agency financial information.
- It should also provide that to be eligible for funding from measure, operators should be required to report on and comply with policies and programs related to Transit Transformation that would be developed through the Regional Network Management framework.
- The Commission should also consider that transit consolidation is worthy of further study but should be pursued separate from enabling legislation for a transportation revenue measure.
- A citizen initiative should be authorized as part of the enabling legislation.

The motion was approved unanimously.
