Greetings Commission Secretary,

I read the Minutes of the last Clipper Executive Board Meeting, of 15 December 2025. Under Item 3A, I noticed my name is mentioned a second time in connection with Seamless Bay Area. In reviewing the video, Adina Levin spoke before me on that item, by way of Zoom.

Please ensure the minutes of the 15 December, 2025 Meeting are corrected so that everyone can receive their proper credit.

Thank you,

Aleta Dupree, she, her, with Team Folds.
