Agenda Item 2d – 26- 0544

Contract Amendment – Clipper® In-Person Customer Service: Nematode Holdings, LLC (Nematode) (\$325,000)

Subject:

Request for approval of a contract amendment in an amount not to exceed \$325,000 with Nematode to continue providing Clipper in-person customer services at the Bay Crossings store located in the San Francisco Ferry Building, subject to approval of the fiscal year (FY) 2026-27 MTC Budget.

Background:

The Clipper Program has historically provided Clipper customer services at the Bay Crossings store at the San Francisco Ferry Building. In addition to issuing new Clipper cards and selling value, this customer service center immediately replaces lost and damaged cards; accepts cash payment for card replacement fees; and distributes Clipper START materials. Similar customer services are being provided by TTEC at the Embarcadero BART/Muni Metro location through a previously approved contract in the amount of \$1.7 million through June 30, 2027.

Under the proposed contract amendment, Nematode would continue to provide Clipper customer services at its Bay Crossings store, as well as operate and maintain the Real-Time Ferry Departure Flap Sign System, in the Ferry Building. MTC first executed a sole source contract with Nematode in December 2010 to offer Clipper services. In July 2020, MTC executed a new sole source contract with Nematode due to Bay Crossings still being the only Ferry Building vendor selling transit value and providing transportation information on behalf of multiple partners. During the first eight months of the current fiscal year, this location has issued over 7,000 Clipper cards and completed over 20,000 sales transactions. The amendment would extend operations through June 30, 2027 and add \$325,000 in contract value.

Issues:

None identified.

Recommendation:

Staff recommends that the Board approve a contract amendment with Nematode in an amount not to exceed \$325,000, for the provision of in-person Clipper customer services, as described above.
